[illegible]

I am interested in \_\_\_\_\_ as well as Freshman Select.

Can I do both?

Yes! As long as you can meet the requirements of the class.

#### SECOND PERIOD CLASS TIME

Freshman Select meets during 2<sup>nd</sup> period. You will need to communicate with your counselor about the scheduling **requirement**, if there is a class on your choice sheet that conflicts with 2<sup>nd</sup> period Theater Productions I.

#### BOOTCAMP

Participation in Boot Camp is **required unless you have a major conflict**. Conflicts will be dealt with on an individual basis. Students participating in Band Camp need to communicate this conflict with both Theater and Band directors. At Boot Camp, August 10 and 11, 2018, students get theater orientation and prepare their audition repertoire for their "Strut Your Stuff" performance.

#### STRUT YOUR STUFF

Performance at "Strut Your Stuff" is **required** for the class. Public performance of audition repertoire for family and friends. Also serves as audition for the Freshman Play. August 23 or 24 (TBD.)

#### FRESHMAN PLAY PERFORMANCE:

Participation in Freshman Play is **required**. Rehearsals will be in class. The performance is outside of class time. Freshman Play typically performs the first Friday of December.

#### ONE ACT PLAY PERFORMANCES:

Participation in One Act Play Performances is **required**. Rehearsals will be in class. Performances are outside of class time. One Act Play typically performs at a clinic the last weekend of February and at a public performance the second week of March.

**Why do you want to be a member of the Freshman Select class?**
